Prices and VAT

Prices are in euro, excl. VAT. Customers in the Netherlands pay 21% VAT. Businesses in another EU country with a valid VAT number pay 0% VAT when the goods are delivered to that country. Outside the EU no Dutch VAT is charged.

Delivery

Delivery costs depend on the size of the product and the country. You see them at checkout, and all rates are on optinovatetech.com/delivery-and-vat/.

This catalogue was made automatically from our web shop on 11 October 2026. Products and prices can change; the web shop always shows the latest.
